Stewart Historical Society

We would like to thank our community of Stewart for supporting and welcoming us to be a part of this very special community!

We had been coming to Stewart every two weeks, beginning May 2023, to be part of the Rock Church Plant here. The name of the church was Stewart Christian Community Church.

The following year we felt the calling of God to sell our home and move to this beautiful community. May 1 of 2024, we made Stewart our permanent home. On March 29, of this year Randy was ordained as Pastor, and set in as Lead Elder of the Church. It was at that time; we changed the church name to Living Hope Fellowship.
